

BRIDLE SWING

HORIZON 30 COLLECTION

TECHNICAL INFORMATION

Engineered for demanding outdoor and marine environments, the Bridle Swing combines a robust 316 stainless-steel frame suspended by hand-finished leather straps. Custom-shaped cushions offer contoured body support and remain securely anchored, delivering exceptional strength, safety, and fluid outdoor relaxation.

DIMENSIONS

W 2100 × D 1560 × H 1815mm

W 82 11/16" × D 61 7/16" × H 71 7/16"

FINISH OPTIONS

Features a curated rich rose-bronze polished structure with gleaming rose-gold details and hand-finished leather straps. Custom metal finishes, leather tones, and performance fabrics are available through our bespoke design service.
